living, low-income senior
looking for affordable housing,
contact us!

INDEPENDENT LIVING

Jubilee Place is a 34-unit, three-story secured apartment building located in the heart of the City of Trail, BC. It is overseen by a volunteer board of directors for the not-for-profit Trail Elderly Citizens Housing Society (TECHS).

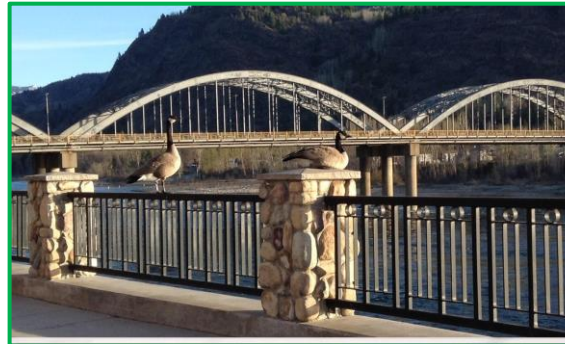

Apartments are designated for low-income seniors (priority 65+) who are able to live independently. Jubilee Place is a smoke and pet free property and there are no exceptions to this policy.

Each apartment is a self-contained unit with a combined living/dining room area, kitchenette with refrigerator and stove, bedroom, bathroom, storage area and a small patio or balcony. There is a common area on each floor where coin operated laundry facilities are also located.

For those with vehicles, a limited number of assigned parking spaces are available and there is a convenient drop off area at the secured front entrance.

SENIORS' HOUSING

Location, location, location!

Located along the mighty Columbia River with a beautiful river walkway and a park just steps away, Jubilee Place has it all! Enjoy the amazing river views and lovely flower beds in season.

Step out the front door and you have easy access to the Royal Theatre, Charles Bailey Theatre, Community Centre including a Seniors' Centre, Library, convenient shopping, medical offices, bus stops and restaurants.

Our building is beautifully maintained and staffed with a caretaker Mon-Fri.

LOW INCOME

If you are a low-income senior, a current resident of British Columbia and capable of independent living, this may be the home for you!

Tour requests are welcome. Call the number below for an appointment.
