## **Medical Equipment Loan Program**

We loan medical equipment to anyone who is in need. We require a deposit of \$25, returnable to the client when the equipment is returned in clean and good working order.

*We have different forms of many types of equipment: bathtub safety handles, bed rails, canes, commodes, continuous-flow cold machine for knees, crutches, knee scooters, reach extenders, shower safety bars, shower seats, shower transfer seats, raised toilet seats, toilet safety arms, no-wheeled, 2-wheeled and 4-wheeled walkers, wheelchairs and more.*

We are happy to accept donations of money or medical equipment as that is how we keep up with the ongoing requirements of the public. ***Equipment we are unable to accept are: splints, support boots, un-washable items, and rusty equipment.***

Our intent is that equipment should be returned within **3 months**. If you require the equipment for a longer period, please call us at 250 265 3033 to make arrangements.
